Notes:						
1	The above Standalone Financial Results have been reviewed by the Audit Committee and approved by the Board of Directors at its meeting held on May 18, 2013.					
2	The figures of last quarter for the current year and for the previous year are the balancing figures between the audited figures in respect of the full financial year ended 31st March and the unaudited published year-to-date figures upto the third quarter ended 31st December, which were subjected to a limited review.					
3	As on March 31, 2013, the Company has 22,38,500 Stock Options outstanding under various ESOP Schemes.					
4	"Advances recoverable in cash or kind or for value to be received" under "Short Term Loans and Advances" in the Balance Sheet as at March 31, 2013 includes Rs 5194.04 lacs paid to National Stock Exchange of India Limited (NSE) towards pay-in obligation raised by them. This pay-in obligation arose on account of loss which occurred due to a manifest material mistake occurred on October 5, 2012 while executing a sale order on Cash Segment of NSE and the same has been discharged wholly and exclusively for protecting and continuing the business of the company. The Company made an application for annulment to NSE which subsequent to the balance sheet date was not accepted favourably by the relevant authority of NSE against which the Company has preferred an appeal before Securities Appellate Tribunal (SAT) and the same is admitted and pending disposal. The Company has opinions of eminent legal experts to the effect that the issue under appeal is a fit case for annulment. In view of this, the Company considers that there is no probability of outflow of resources and therefore the same has not been provided for. The statutory auditors in their report have drawn attention about the above in the emphasis of matter paragraph.					
5	The results for the quarter ended December 31, 2012 and year ended March 31, 2013 had been impacted by error trade of October 5, 2012 due to its adverse effect on brokerage income for the month of October 2012 and November 2012 and also certain expenses/losses incurred in connection/consequential to the same. Subsequently, the Company's broking operations have become normal and its market share is reinstated.					
6	Deferred tax charge for the quarter and year ended March 31, 2013 represents write down of carrying amount of Deferred Tax Assets in view of carried forward losses and unabsorbed depreciation under tax laws as prescribed in AS-22 - Accounting for Taxes on Income.					
7	The Company's operations relate to one reportable business segment, i.e. Advisory & Transactional Services (comprising of Broking and Distribution, Investment Banking & Other related Financial Intermediation Services).					
8	The Previous period/year figures have been regrouped and rearranged, wherever necessary to make them comparable.
